to Friends . . .

. . . God, a Friend to each and every one of us . . . always ready to listen to any trial or tribulation we may have . . . always available to take our hand and guide us on the chosen path . . . toward Eternal Friendship.

. . . Our Parents, through the years you have become dearer to us . . . you have taught us the true meaning of Friendship . . . how to acquire and keep it . . . your Friendship is a beautiful reflection of God's.

. . . Our Teachers, you who have given us your Friendship through every year of our lives . . . you have prepared us for life, warned us against those who would seek to break the Bonds of Friendship which are so precious to us.

. . . Monsignor Voss, in taking Christ's place on earth, you have truly opened the vista of your heart to each one of us . . . teaching us to love God and each other in a world embittered by hate.

. . . Roberta Riley, no one of us under the friendly roof of PCH can utter the word Friend without thinking of you and the many joys of Friendship we shared with you . . . the true meaning of the word Friend was exemplified in your life.

. . . Friends, let all of us be . . . so that Friendship may become powerful enough to break the barriers of hate between brothers, neighbors, cities, nations . . . may we live as Christ asked us to live the night before He died, when He said, "This is My Commandment, that you love one another as I have loved you . . . You are My Friends if you do the things that I command you. No longer do I call you servants, because the servant does not know what the master does. But I have called you Friends, because all things that I have heard from My Father I have made known to you . . . These things I command you, that you may love one another." John 15:12-17.

We Remember . . .

Father Jones gives us spiritual slants on life during our Junior retreat.

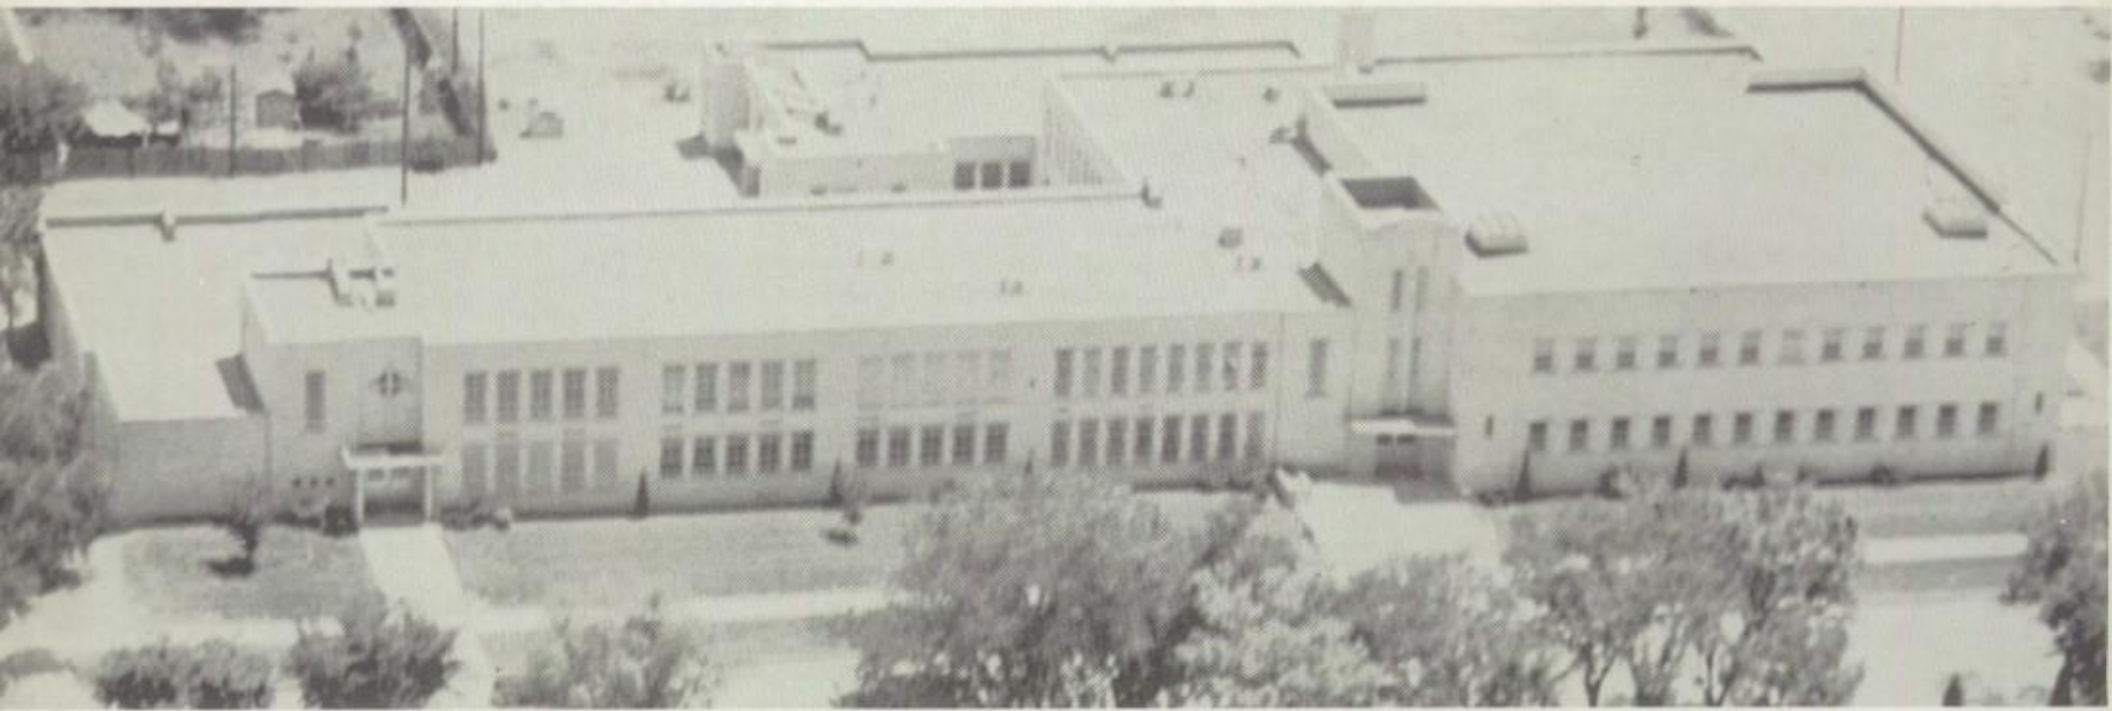

. . . the many opportunities we were given to grow spiritually in grace, wisdom, and spirit.

Homecoming in '54 finds us storming Heaven with united prayers.

Our Sophomore retreat . . . Father Gerard Goetz O.S.B. of Holy Cross Abbey was our retreat master.

The Friendly School, Pueblo Catholic High . . .

The halls of PCH have seen many awkward, giggling Freshmen, but none as typical as the Class of '56. How well we remember our first Retreat with Monsignor James O'Neill as retreat master . . . football and basketball victories—and defeats, too . . . the novelty of rushing to lockers . . . changing classes . . . extracurricular activities . . . Pep club formations . . . and the forming of Our Lady's Sodality . . . the Dogma of the Assumption of Our Lady was declared during this year.

Sophomore year found us feeling more at home at PCH . . . the Holy Father, Pope Pius XII officially opened the Marian Year, December 8 . . . every class made Marian Year projects and tributes . . . illuminated manuscripts, geometric posters . . . the yearbook was dedicated to the Holy Father who had made the Marian Year possible . . . and we all tried to become more like Mary in our daily lives . . . we remember the bonfire . . . CSMC Masquerade Ball . . . the Tatler social . . . Coach Ed Murray resigned . . . Coach John Neari replaced him . . . the Tatler received All-Catholic, All-American, and Medalist awards . . . Our Superintendent, Father Voss, became the Very Reverend Monsignor Voss . . . Father Louis Stovik, athletic director and dean of discipline, returned to parish work . . . at the last assembly of the year, we were told that we could no longer drive cars to school . . . the Junior-Senior Prom, "Enchanted Garden" made us realize that next year would be our turn. Father Gerard OSB gave our retreat.

Our Junior Year . . . how fortunate we are . . . Christ has come to dwell with us in the Blessed Sacrament in our school Chapel . . . He was here when we returned to school . . . the advantages and graces which are now ours, are innumerable . . . seventeen Shamrocks attended the CSMC convention at Notre Dame . . . Father Charles Jones of Denver gave three separate days of recollection instead of the usual three day retreat . . . we did not miss our cars as much as we expected to . . . we gave the Homecoming Dance and named it Marian Whirl to honor Our Lady . . . Mary's year ended December 8 . . . our beloved classmate, Roberta Riley, died of bulbar polio, January 14, 1955, after an illness of five days . . . she has become our Heavenly advocate . . . we ask for all our favors through her . . . Father Daniel Huber became our assistant principal and spiritual director . . . Father gave us the advantage of Confession every Wednesday if we wished it . . . we began a track team with Frank Flood coaching . . . we gave the Junior-Senior Prom, "Melody in May" and chose Sally Beatty for our Queen . . . we crowned Our Lady Queen of May, with Rosemarie De Tata placing the flower crown on her head . . . we won the SCPL baseball championship . . . and started buying football tickets from our favorite Homecoming Queen candidate . . . we elected our class officers for '56 and voted on voting machines in Student Council primary elections . . . Jim Massara we chose for the fourth straight year as our class president.

Our Senior Year was the most perfect . . . the climax of four wonderful years . . . in time, the faces will be forgotten . . . so will be the fun . . . but never will we forget the friends we have made at PCH. May all of us meet in Eternal Friendship.

MOST REVEREND BISHOP JOSEPH CLEMENT WILLGING, D.D., Bishop of Pueblo, bestows his blessing upon student leaders of Pueblo Catholic High. John Fagan, Jean Mathis, Lane Faricy, Arlene Vigil, Mary Ann Baum, Jeanne Spitzer, Sherman French.

We, the students of Pueblo Catholic High School, humbly offer to our Bishop, Joseph Clement Willging, D.D. . . . our friendship.

Your Excellency, you are our friend . . . as the shepherd of our souls, you lead us . . . you care for us spiritually, giving us food, shelter and security for our souls . . . your love of Christ and your fellow men are the basis for our friendship.

As First Shepherd of our souls in the New Diocese of Pueblo, we see new churches springing up, social improvements . . . deepening of the religious roots by increase in vocation . . . and general improvements throughout Southern Colorado.

We thank you, Bishop Willging . . . for the chapel in our school . . . this gives us a special way to sanctify and bless each and every student at school . . . You dedicated this, and it is a milestone to you . . . as it is dedicated to St. Joseph, your patron saint.

The devotion and love you have for St. Therese is localized in our school . . . As is the love you have for us.

Thank you, Your Excellency, for the opportunity to know and to love you . . . Our life would not be complete without your Friendship.

FATHER HUBER

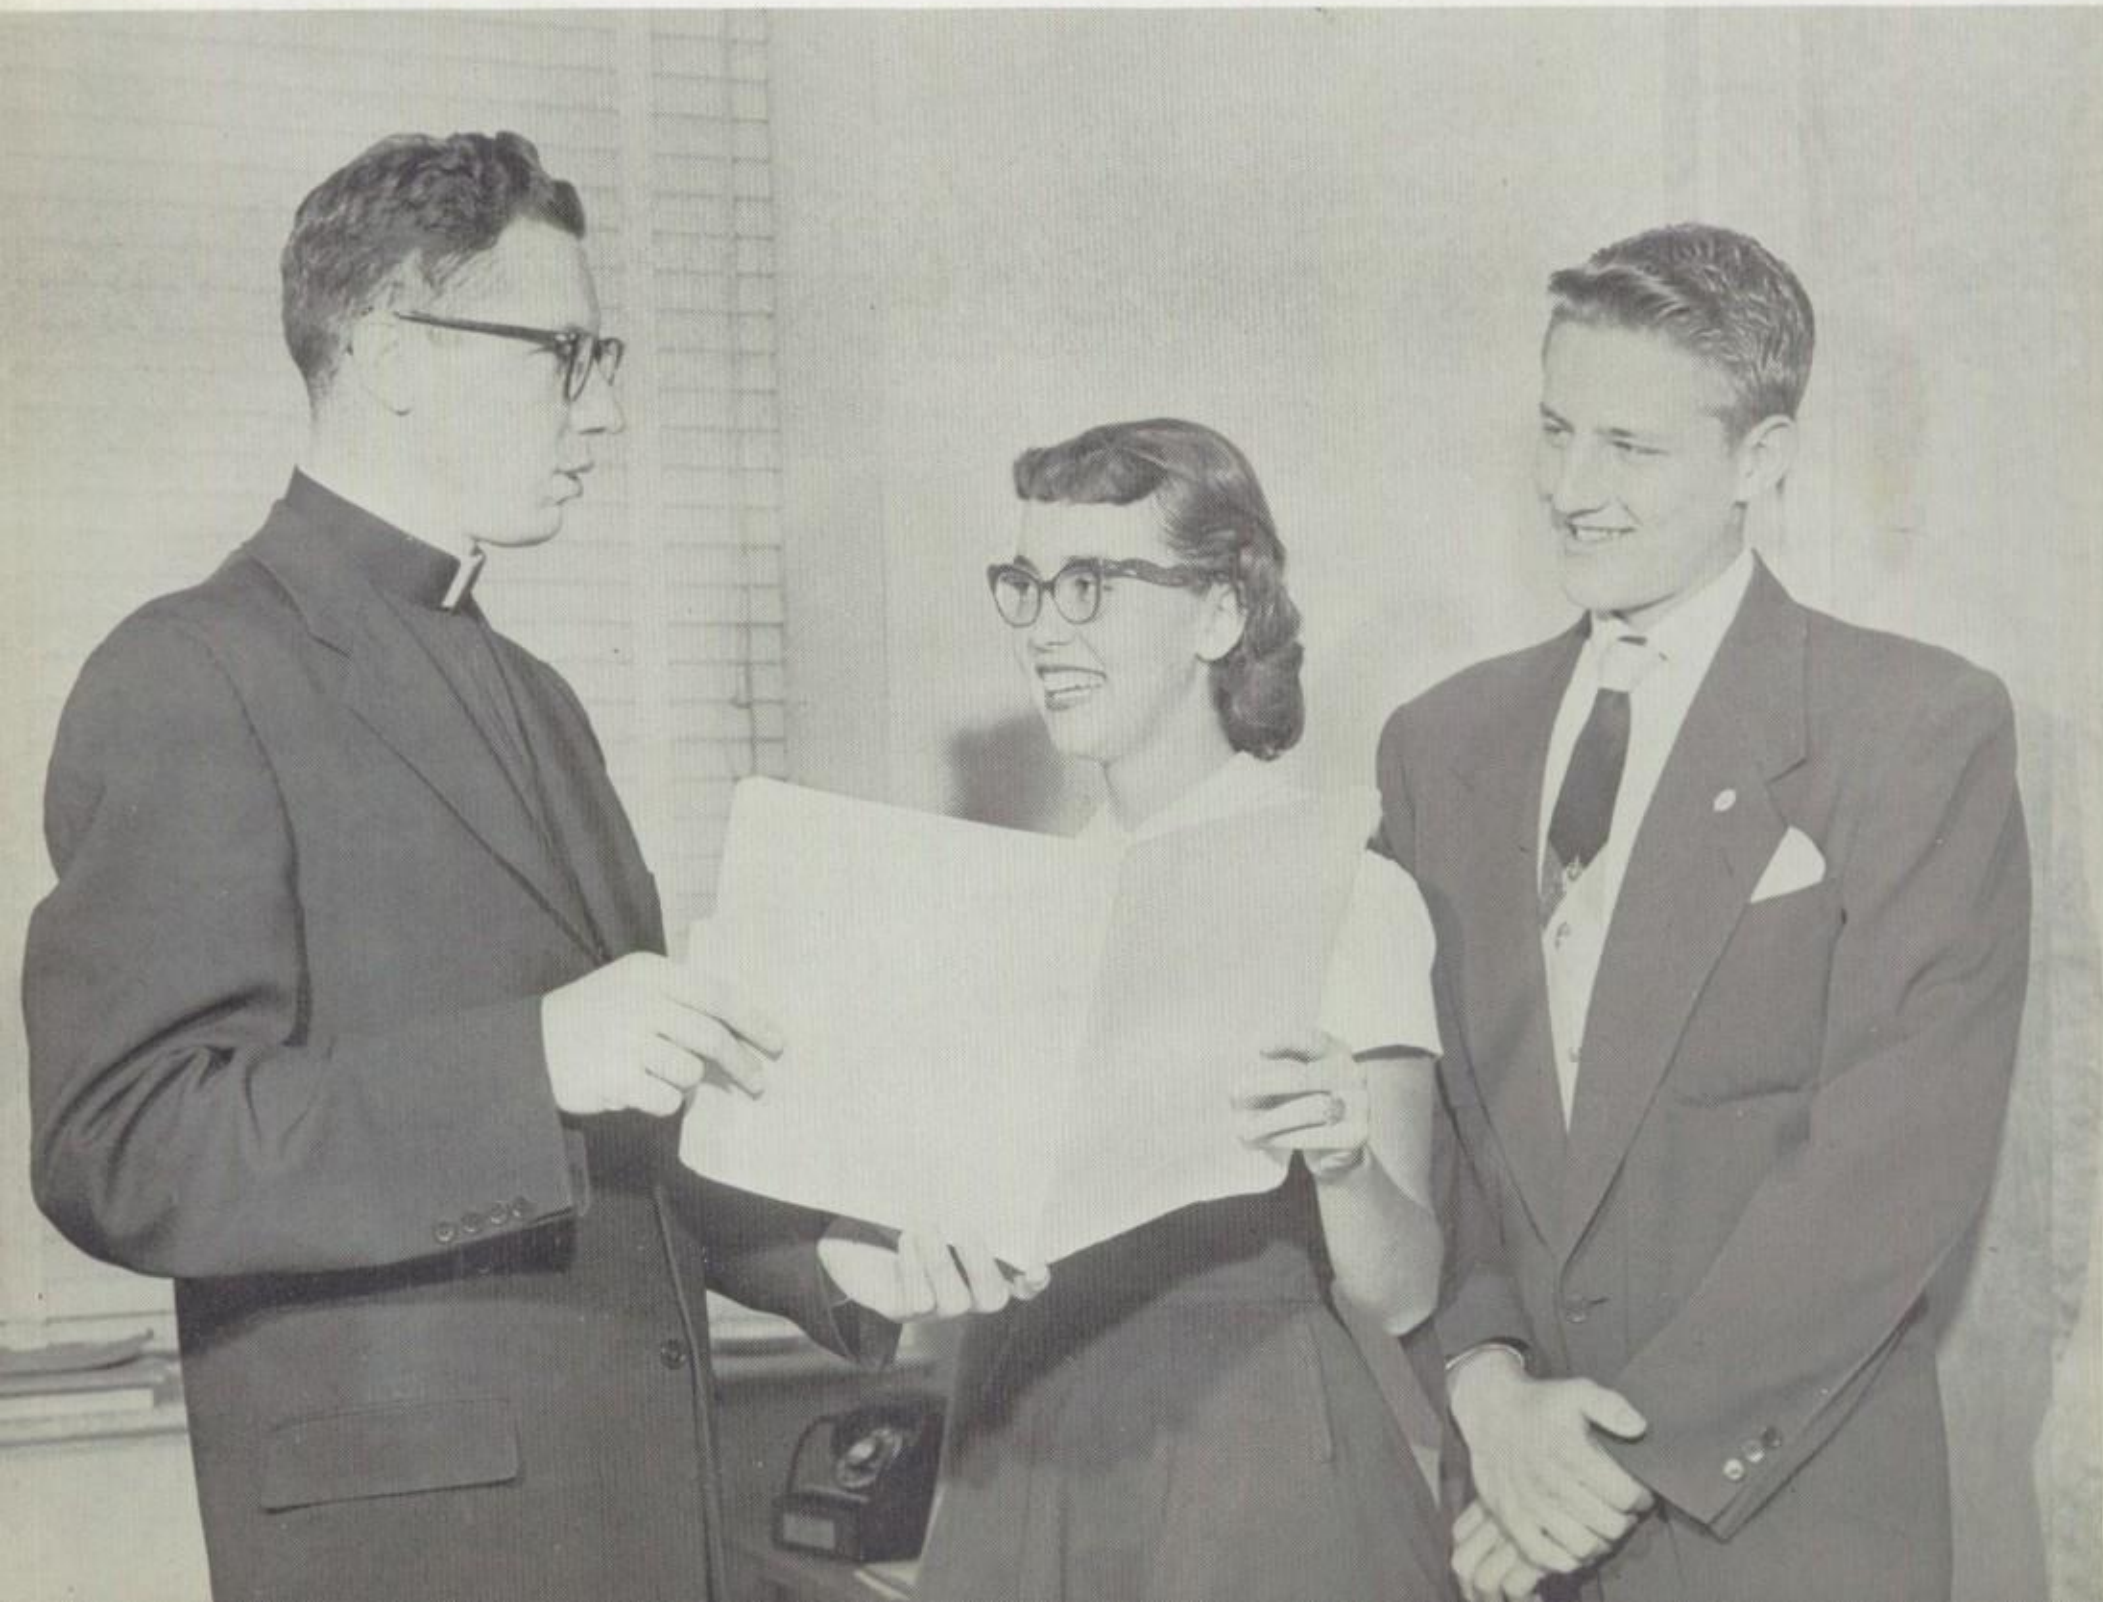

How can we really go about trying to express our appreciation for your most outstanding friendship, which you have extended to each and every one of us. We know we have a true friend to turn to for that special spiritual guidance and understanding.

The responsibility you have taken into your hands, you have accepted willingly so that you could make our life here at school such a happy and holy one.

Your sincere interest in athletics brings you nearer to the students and enables you to lead us on our chosen path.

Truly, you are an outstanding example, and your influence makes us proud to extend our heart to you in friendship, Father Daniel Huber.

Seeking advice from Father Daniel Huber, Spiritual Director of Pueblo Catholic High School, are Laretta Daveline, Student Council Treasurer, and Michael Occhiato, Student Council Vice President.

Student Council Officers, James Massara and Mary Lynn Wagner, check the agenda of student affairs with Monsignor Elwood C. Voss, Superintendent of Pueblo Catholic High.

MONSIGNOR VOSS

Our friend . . . everyone calls you that now, but only in the years to come will we realize the friend you really are to us. In essence, you are greatly responsible for Pueblo Catholic High being one of the most modern high schools in the state.

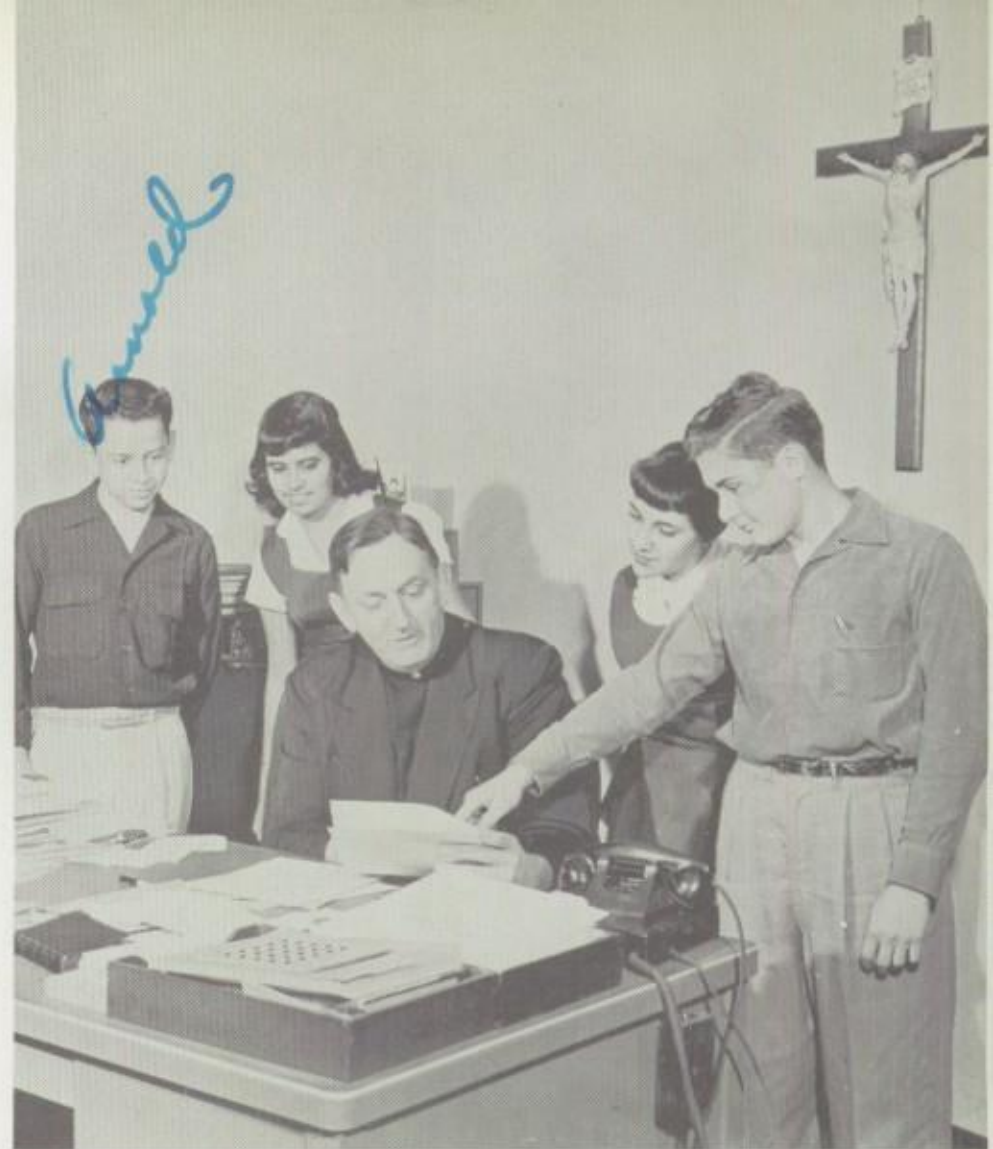

Your friendship, however, is not confined to the walls of Pueblo Catholic High, for you are actively engaged in the society for the Propagation of the Faith, and athletic director for the school sports squads and Spiritual Director of the Serra Club.

Monsignor Voss, you devote your main interests to the Missions and our Blessed Mother. Extensive reading, study, and prayers, mark your enthusiasm. No one knows the countless charitable acts you perform.

At the head of your list of attributes are your friendliness, help, comfort, and advice, constantly aiding students in need. Monsignor, we thank God and Our Lady that we have been friends together.

MR. GLENN U. NICHOLS

OUR FRIEND

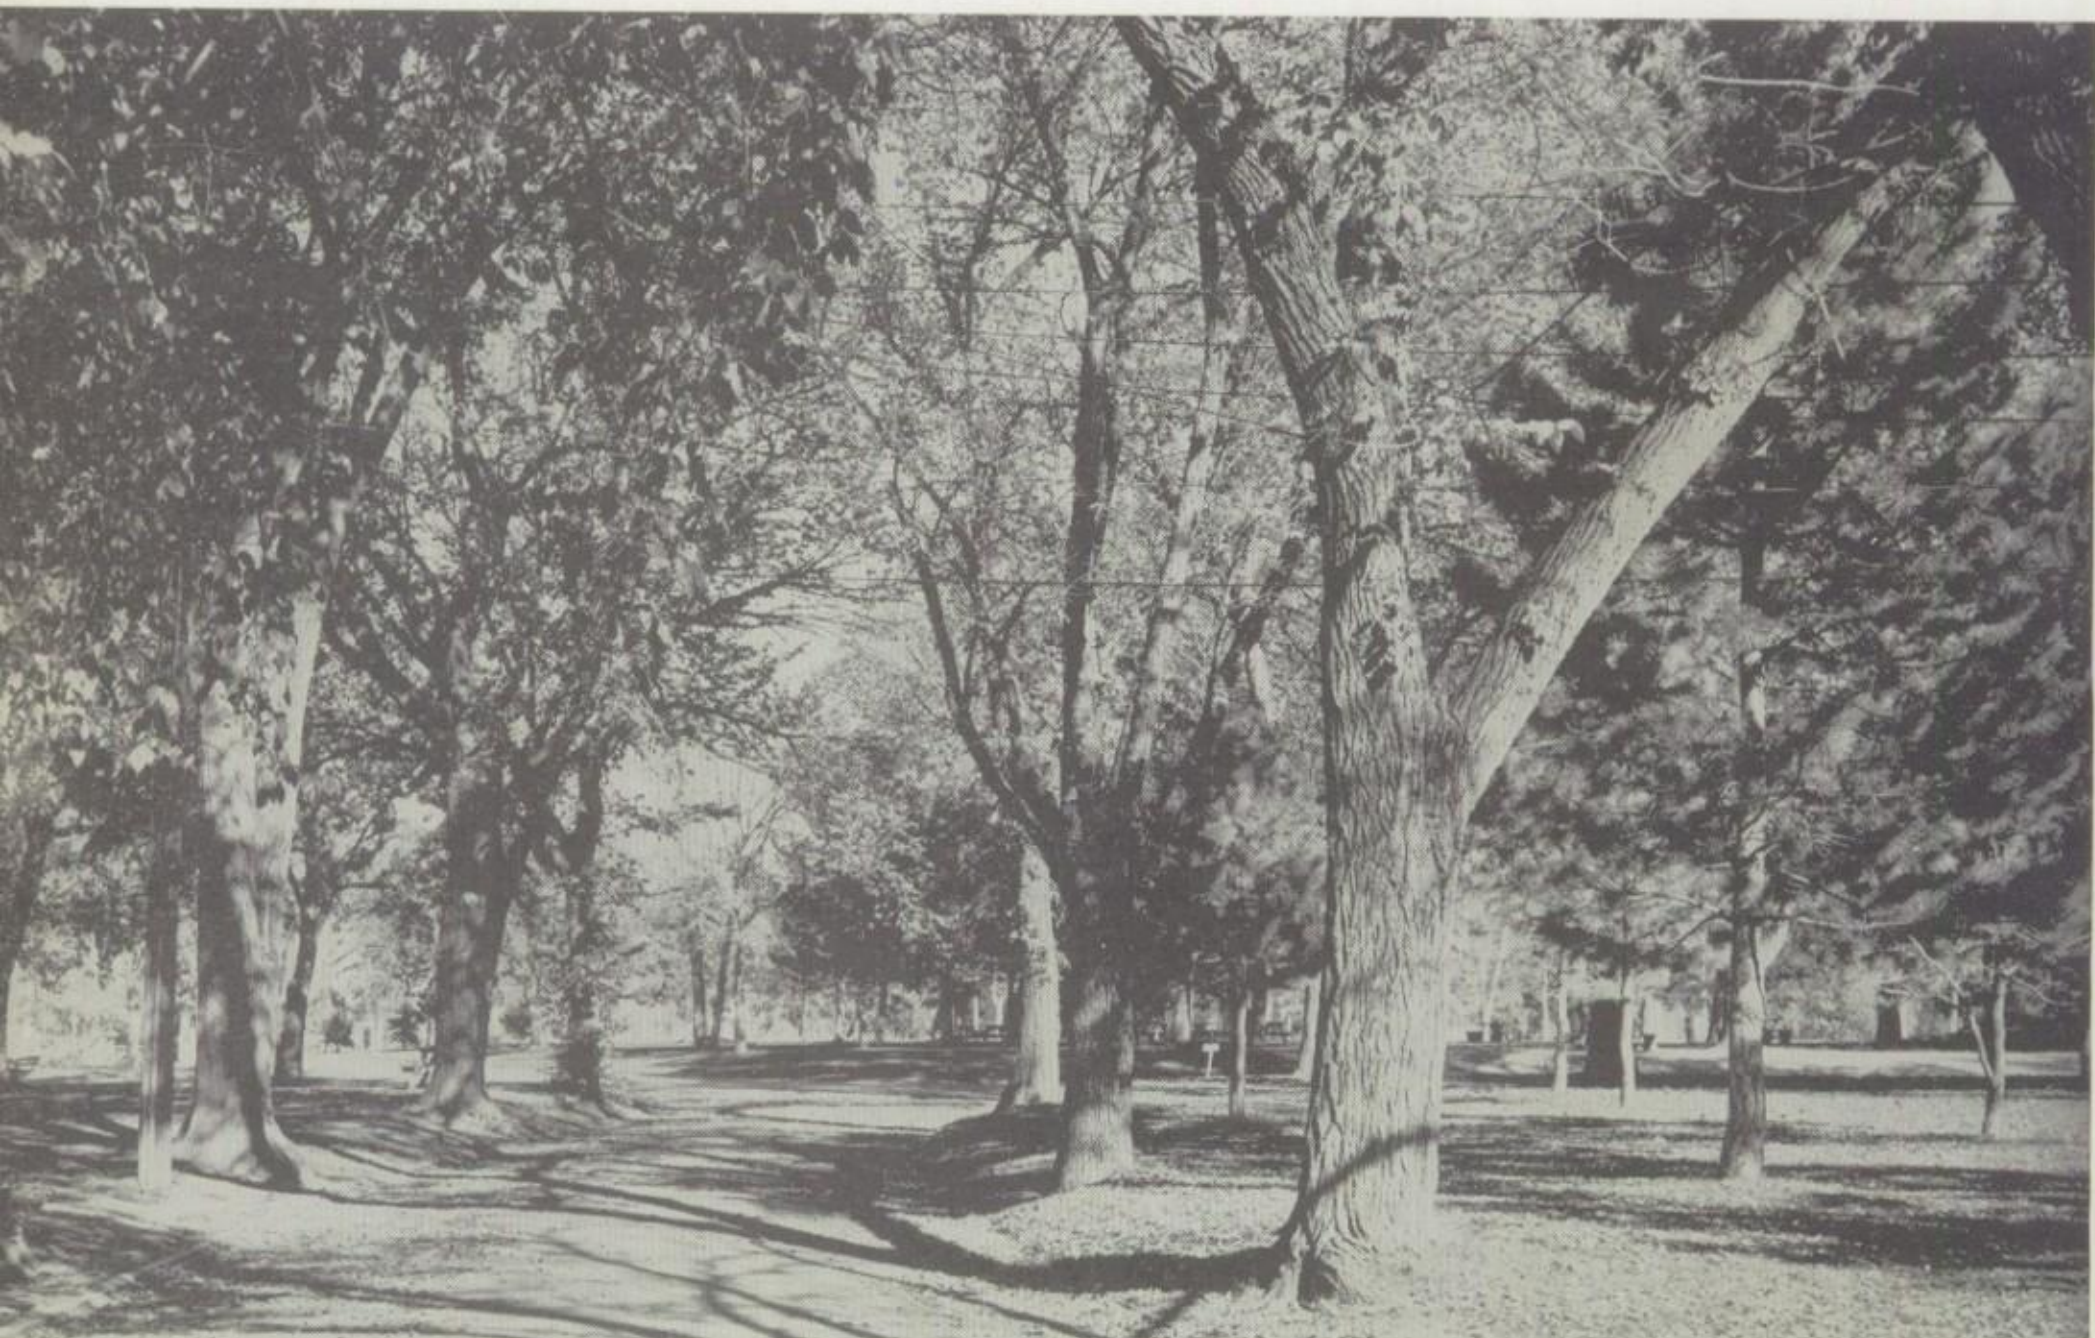

Red roses and white gladiolas covered the steel casket containing the mortal remains of Pueblo Catholic High's good friend and ardent booster, Mr. Glenn U. Nichols. The double spray was adorned with a red satin ribbon on which were gold letters forming the words, "Our Friend."

Roses were chosen by the students of Catholic High because they are the most beautiful of all flowers. To almost everyone Mr. Nichols seemed like a prayer. He was always there when he was needed.

His camera caught life and brought it to a standstill of pictures. Our yearbook and school papers are filled with photographs that are now memories of him. But the photograph we love best is the picture of his humility, sincerity, courtesy, punctuality, and loyalty.

Saturday night, September 3, Mr. Nichols was called to his Greatest Assignment—his meeting with his Creator.

In the passing of Mr. Nichols the school has truly lost a great friend. Many tributes could be paid him, but none so true as, "We'll miss him."

The path of Glenn's life was filled with kindness, sympathy and understanding.

This picture of a portion of City Park was taken by Glenn for the Shamrock.

WE HAVE BEEN FRIENDS TOGETHER

Flower of youth, you were plucked by your stem in the precious years of life and now you are held tightly to God's Bosom. Roberta, the memory of our friendship will always be with us. We can see you cheering, reporting, and praying in the Heavenly crowds. Yes, . . . we have been friends together and will always be friends. You were not just the friend of a select few but everyone knew and loved you, as we do. Your departure to Our Father's house has brought us much closer. We have our memorial plaque and the two statues placed in our hall, of the Blessed Virgin Mary and St. Maria Goretti, in your honor.

No, you are not gone, but God's Finger has touched you and now you are sharing in God's Eternal Friendship.

The day always goes better when we receive Our Lord first. Monsignor George T. Holland, P.C.H. Alumnus, offers the Homecoming Mass.

Old and new friends become better friends at a banquet.

WE WON—Through the prayers of our well wishers . . . the grit and determination of the players and the will of the Almighty God, Co-Captain Joe Pannunzio receives the Knute Rockne Memorial trophy. Coach Jack Parsons, team mates, alumni and fellow students look on with joy as the Shamrocks receive the official Champions.

A Victory From Heaven

Roberta Riley stood to the left of the Sun and to the right of God and she gave the Shamrock team, the human virtues . . . the muscle which knotted in John Lane's leg to drive him over the turf . . . the strength in Joe Pannunzio's hands to pull the ball carriers to the sod . . . And to the whole team, she gave a cheer: "Victory, Victory that's our cry." She whispered that cheer down the Shamrock line as they waited for Dan Maroney's count and they all heard her . . .

Behind every tackle, was desire . . . every block was desire . . . Desire that whipped a lean Freshman team four years ago, into State Champions today.

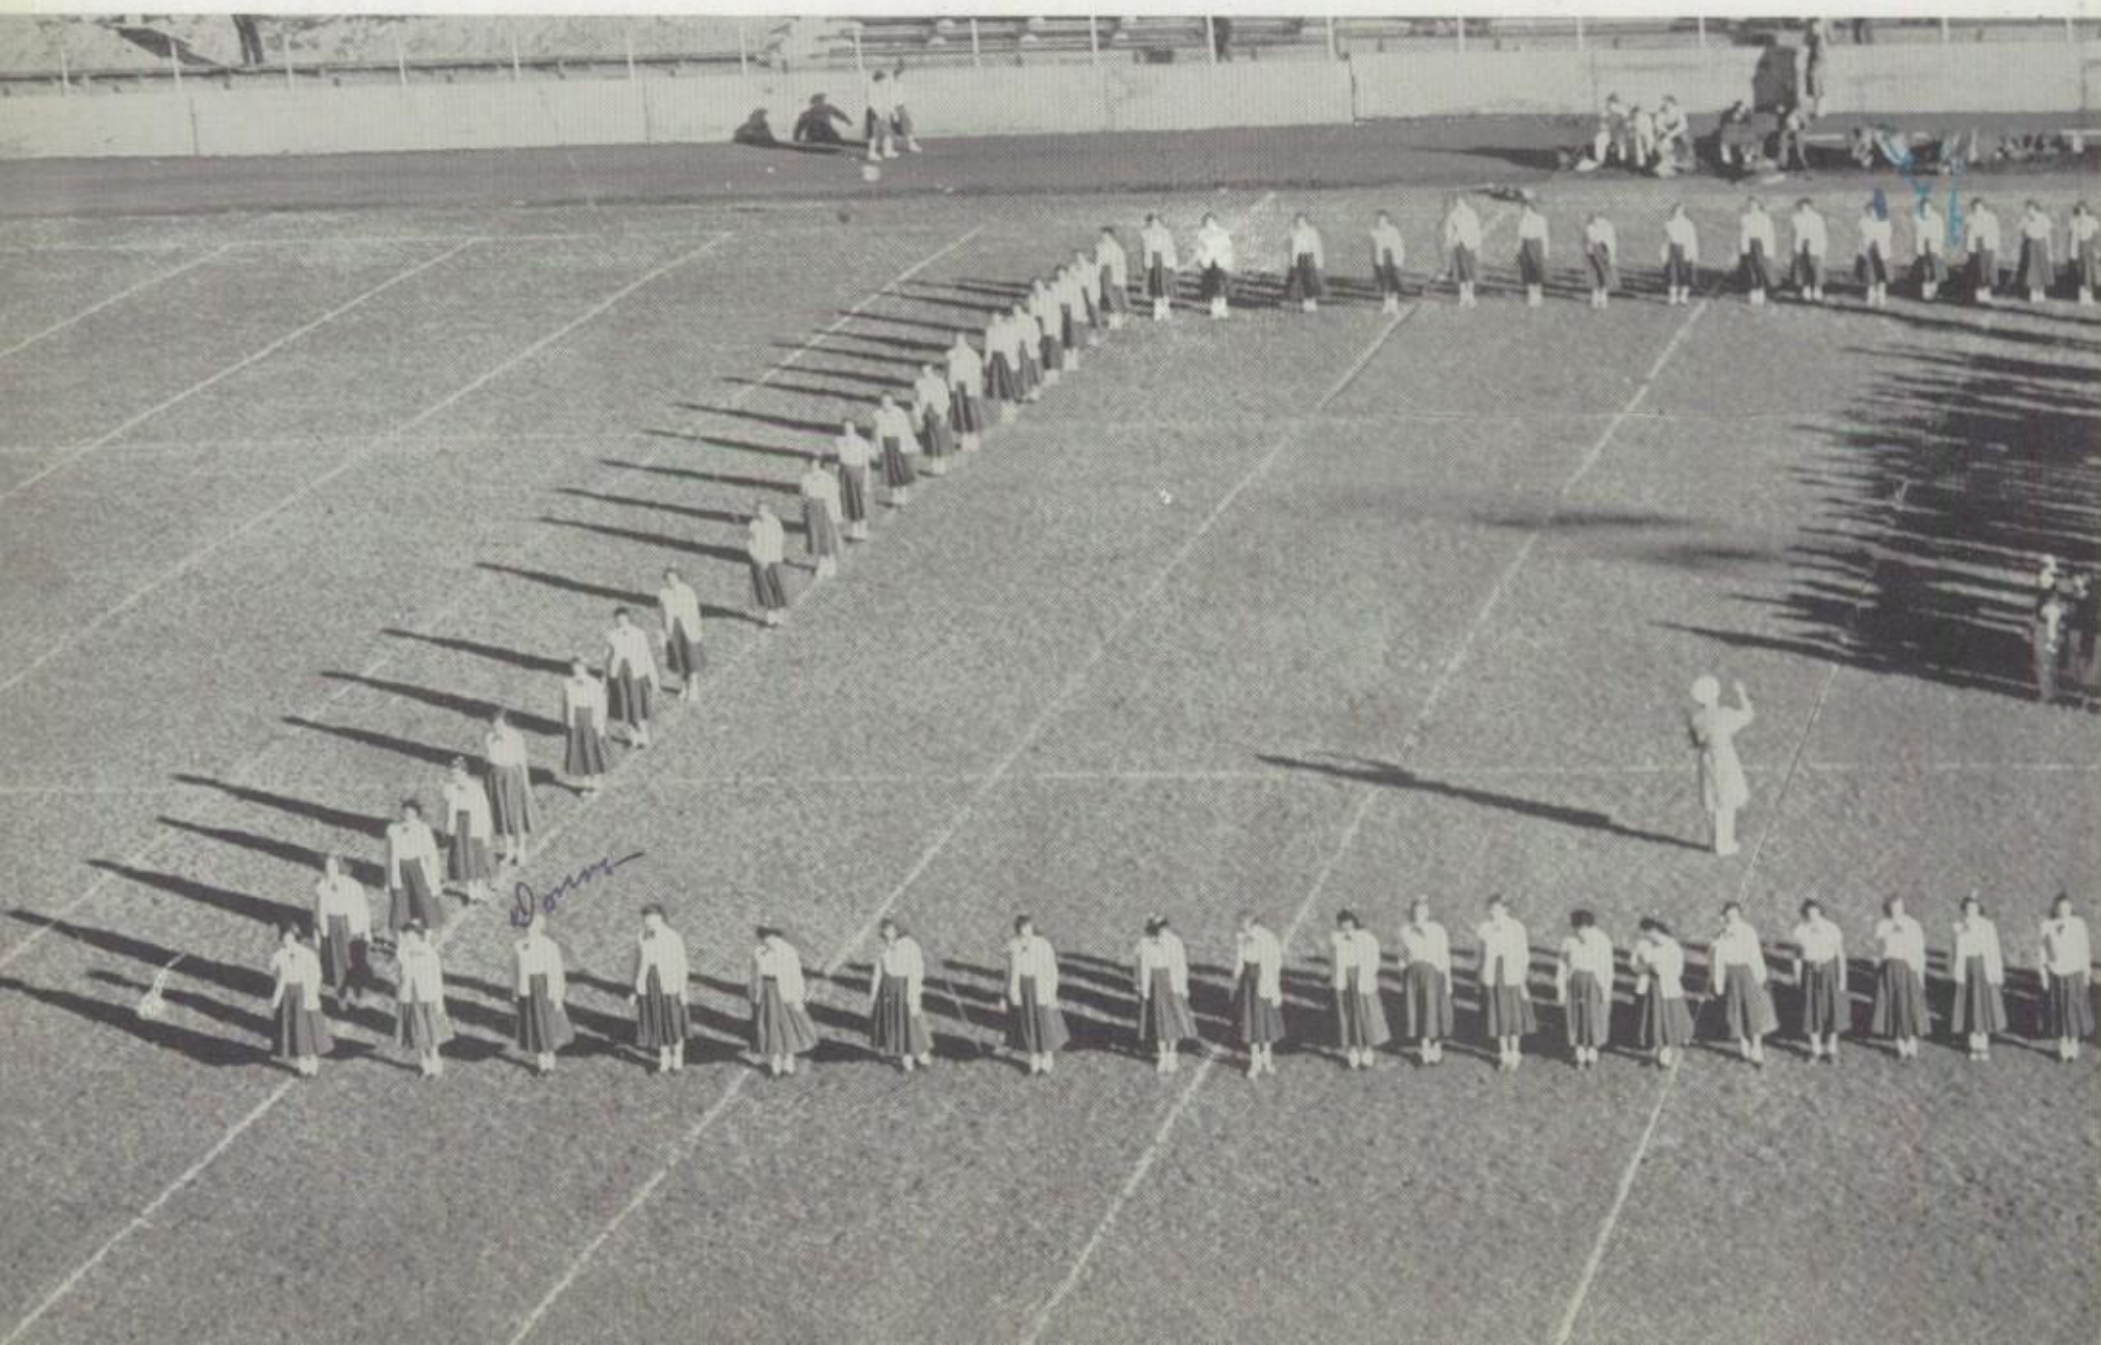

Yesterday's prayers . . . when whole classes went to their knees and said, "Remember Oh, Most Gracious Virgin Mary." But one boy could only get down on one knee because the other had been damaged when he played football as a Sophomore. In spirit he hovered in the huddle and ran out of it crying, "Let's go!" He was with every tackle and he made every block. Tom Whalen's will to play, was the will that won.

Back in school it was cheers by jumping cheerleaders and shouts of happy classmen, but out of the joy came this prayer: Lord above Who gave us a body . . . Lord above Who took our body and gave us victory . . . Lord, We give our thanks."

And the stadium lay empty under the setting sun, and down on the field there was still a darkhaired cheerleader shouting: "Ray, team!"

Staging was planned by Sister Mary David, who also wrote the play, titled, "The Shepherd's Flute."

"Bring thy gift to the Babe of Bethlehem and all of France will tremble to the haunting lullaby of the Shepherd's Flute," pleads Albert Mayernick, who enacts the role of an angel of the Lord. Witnesses are Quin Selman, Anne Marie Concialdi, Frank Kogovsek Sherman French, Maureen McKenna, and John Ursick.

Christmas at P.C.H.

Reigning royalty of "Winter Wonderland" are Queen Julie Cassidy and King Dale Bensko.

Dancing in a "Winter Wonderland" are Pueblo Catholic High School students and Alumni. Jimmy Howard's Orchestra played for the dance which was sponsored by Student Council.

Football, basketball and baseball letters were awarded, and the football team received their "Stage Champs" jackets, gifts of Pueblo businessmen. Shamrocks will keep remembering Paul Hornung's memorable words, "It's nice to be important, but it's more important to be nice."

Thanks for being so kind when I came to Pueblo in the light grade without any friends. It was people like you that made me feel at home. I'll always remember those 8th grade days + 10th grade home life. I sincerely wish you the best of everything, you deserve it. Dear Sue,

I could think of so many things to write that I could fill a book let alone one page. But anyway here goes. I have been friends with you for a long time and I can assure you that it has been both a pleasure and an honor. I can't think of a fancy way to express my emotions but I hope that they will sound just as true in simple English. We have had so much fun together, I only hope that we can continue to have fun even after we get out. You'll have to excuse the writing but my lap isn't very big and my knees keep shaking. Nun, I don't really want to leave now but then I guess that's life. Everyone is hollering at me because I'm writing so much. But I can't ^{express} my joy and happiness in only a few words. Congratulations in everything that you have done. Don't ever forget me and pray for me always because I'm going to need it. Believe me. Sue, I'm really happy to know a person as wonderful as you and I'm sure that you will go far and be very happy. Everything concerning your college will work out O.K. And I will always pray for you so you can always count on that. Well I only have a little more to go to kill the page. So I might as well keep on writing. I can truthfully say that I have enjoyed you and everything that you have done. Remember all our phoney classes together. Especially this year's English class. Now what can they get! Well I guess that is enough for now.

Love ya always,

Dear Sue,

Here's wishing the
